Summer is here and our 2008 touring season is in full swing. It's also that time of year to introduce you to some of our remaining tours for 2008 and unveil some select tours from the start of our 2009 line-up. All of our tours are fully escorted and include deluxe round-trip motorcoach transportation, quality overnight accommodations and luggage handling. We have built a very solid foundation to our business by offering the best customer service and professionalism. When this is coupled with our incredible tours at very affordable prices, how can you go wrong?

As you browse through our tours, you may notice an increase in the price for our 2009 tours. This is due to the rising cost of fuel, admissions to attractions, shows and hotel rates. However, we encourage you to shop around as we believe you will find that JAG Tours continues to offer the best value for your vacation dollars. We pledge to always give you the best for less.

- Irv Gage

Please Note:

We reserve the right to add a fuel surcharge to your final payment should fuel prices continue the rapid upward trend.
